She/Hers

Leyanne Oliveira is a Spiritual Guide and Wellness Coach for women driven by her mission to support and guide others on their journey to inner joy, peace and authentic power.

Committed to the growth of each person she crosses paths with, Leyanne provides one-on one client coaching, group healing programs, workshops, and safe spaces where individuals can self-explore and self-heal.

She is equal parts loving, kind and intuitive; mixed with a whole lot of heart.

Central to her work is compassion and a commitment to providing access to transformative holistic healing care to all. Aiming to (re)connect humanity with all layers of themselves, Mind, Body, Spirit and Heart, her work takes a true (Whole)stic approach to self-healing. She is fiercely passionate about healing and what it can provide for us individually and collectively . At the core of her work, you will always find the themes of self-healing, self-mastery and spiritual liberation.
